Bill Gillham on Oregon Seafood:

I grew up in Newport. My father was a commercial fisherman. I fished for with him for 14 years while I was in school. I have strong opinions about seafood. I like it fresh, local and cooked in the old Oregon Coast style.

For me the best seafood is often found in quirky, small family owned restaurants. I favor those with a view of the water. "If you can't see the Ocean don't order the fish!"

All this is a polite way of saying that if a restaurant is large enough, and organized enough, to seat us all, it likely won't have the best seafood. A better plan is to scatter in groups of 2, 4 or 6 and explore the possibilities. There are a lot of great choices within a few miles. You won't be disappointed.

**AROO invites all Alfa Romeo Owners to participate
in the 45th running of the AROO " Old Spider Tour"
May 6, 2023**

This years event will be lead by Bill and Marian Gillham driving their red 1960 Spider Veloce. The tour will start a 9:30 AM May 6th 2023 In the back parking lot of the South Bound I-5 Santiam Rest Area. (Between Salem and Albany). It will end at Ona Beach State Park, South of Newport, 139 scenic "two-lane-blacktop", miles later, in mid afternoon of the same day. For a proper head count, Please RSVP to Bill Gillham if you expect to come along. Printable tour instructions are attached:

History:

The first Old Spider Birthday Tour was run in 1978 by Bob and Margaret McGill to Celebrate the 20th anniversary of his purchase of his 1958 Spider in 1958. The first Old Spider Tour had 5 Old Spiders and a number of lesser Alfas along. "Old Blue" performed perfectly. A wonderful time was had by all.

The "Old Spider Challenge":

Marian and I participated in the first tour 45 years ago in our '63 Spider. We will mark the anniversary by leading this years tour in our '60 Spider Veloce. With luck we will be joined by a record number of other Old Spiders on our drive. In my reckoning the record turnout for Old Spiders was 12, (on the Spider Veloce Tour in 1992). Let's try to break the record. There enough 750 and 101 Spiders in Oregon to make it happen if we can get them all to show up!

Participation Window Cling:

Keith Martin promises to give all participants a Window Cling to prove you were there.

Weather Date and Other Details:

If the weather is threatening on May 6th, we have scheduled a weather date on May 20th. I will send a "Go - No Go" email to everyone who sends me an RSVP, (on the Friday before the tour).

For those of you who drive modern Alfas you are certainly welcome to drive along, I have written the tour so there are no ferry crossings that are challenging to very low Alfas like the 4C. There will be several Rest Area breaks on the tour and a Public Park stop perfect for a Picnic lunch, Please show up with a full tank and your lunch. A list of handy gas stations is attached to the Route Instructions.

**Please RSVP via text to:
Bill Gillham (541) 979 2210**

Please include what car you will be driving and how many people will be in your group.
